

Notice to all NAECB certificants:

Effective January 1, 2006 the National Asthma Educator Certification Board, (NAECB) extended the expiration date of the AE-C[®] certifications from 5 years to 7 years. Your current certificate will therefore be valid for 2 years past the expiration date noted on your certificate. This effects everyone that received their certificate prior to January 1, 2006.

Please note that it is your responsibility to keep the NAECB notified of any changes in your address, phone number and email address in order to receive notices of changes and deadlines for recertification. Recertification by exam will be offered up to one year prior to your new expiration date. The NAECB will attempt to notify all certificants prior to the expiration date of their current certification. **However, certificants are ultimately responsible for maintaining their certification.**

If you would like to have a replacement certificate with the new expiration dates on it you will be required to pay a \$25 processing fee.

On the following page is a form including interactive fields that can be filled out in Adobe[®] Acrobat[™] or Reader[™], then printed out – or you can print out the form and fill it in by hand. Please submit this form to the NAECB along with your \$25 processing fee (Check or Money Order, only) to receive your new certificate.

Thank You

Please send a new certificate to:

Name: _____

Address: _____

City, State; Zip: _____

Daytime phone number (for questions): _____

Email: _____

Please send a check for \$25.00 made payable to NAECB along with this completed form to:

NAECB • PO BOX 781251 • San Anotnio, TX 78278

Please allow 4 to 6 weeks for processing. For Questions, please call 1.800.317.5206.
